ABOUT BRYDGES

In February 2004, The name was changed to BRYDGES (Building Responsible Youths by Delivering Genuine Enrichment Services) to better reflect our purpose and mission.

BRYDGES, formerly named NCGYC (Northeastern Church of God 7th Day Youth Consortium) was birthed in the fall of 2001 out of the desire of the youth leaders of four churches to enhance the current operations of their youth ministries and to establish protocols and structured training conduits to produce equipped, committed, and skilled youth leaders to assume positions in the Body of Christ. However, the organization has evolved into an entity that reaches beyond the boundaries of the church to become the change agent for reaching and impacting our communities in a holistic way.

The name was changed, in February 2004, to BRYDGES (Building Responsible Youths by Delivering Genuine Enrichment Services) to better reflect our purpose and mission. The goal is to provide a comprehensive array of services to children, youths, and young adults within internal and external communities.

Services that will revolutionize thoughts, empower youths, impact society, and transform lives.

Purpose of BRYDGES:

BRYDGES Inc. is a non-profit organization that is positioned to provide holistic services to our children, youths, and young adults to enhance and effect spiritual, social, emotional, and cognitive growth.

We emphasize the creation and maintenance of collaborative relationships among communities and Church organizations.

COMMUNITY OUTREACH IN 2024-2025

Beulah's Community Engagement Day was inspired by the Dare-2- Share Evangelism virtual week camp that challenged them to share gospel to other youths in their communities.

The YES Ministry took the Gospel to the streets by way of partnering with the Bronx Community Engagement day event where they distributed snack bags. In every snack bag they included scripture cards or written messages sharing the Love of Jesus/message of hope.

Beulah Bronx Y.E.S (Youth Empowered To Serve) Ministry

Beulah Brooklyn (E.P.I.C) Youth Ministry

The E.P.I.C Youth Ministry's community outreach event on Saturday, August 17th, gave us the opportunity to worship, pray, and serve persons at our neighborhood shelter. We distributed school supplies, lunch, and beverages to over 200 persons.

This truly was a remarkable, rewarding, fulfilling event, especially for our youngest volunteers (6 and 7 year olds) who were actively able to serve our community. One Youth stated that serving in the community was the best thing he has done this year. This will be an ongoing thing that our youths will continue to engage in. We are looking forward to serving again at the same shelter on Sunday, November 24th, where we will serve a Thanksgiving meal and distribute clothing.

On May 3, 2025, the youth ministry of Shiloh Church of God 7th Day, Shiloh Young People Association (SYPA), went into the Hyattsville community and distributed forty-two care packages and ten \$10.00 gift cards. A total of \$200.00 was allocated for the care packages, and \$100.00 was used for the gift cards.

Youth between the ages of three and eighteen participated and were fully engaged in the packaging and distribution process. In the giving process we were able to pray for those who agreed to be prayed for.

Members of the community were amazed by the love shown through giving and encouraged the youth to continue on this path. SYPA was truly blessed by the experience.

Shiloh Young People's Association

Brooklyn Community Church of God Youth Ministry

On Sunday, June 29, 2025, the Youth Ministry of Brooklyn Community Church of God Seventh Day hosted an impactful community outreach event aimed at serving and uplifting those in need. As part of their mission to live out the teachings of Christ through service, the youth prepared and distributed hot meals accompanied by refreshing juices and water. In addition to the meals, they also handed out gently used clothing to individuals and families experiencing hardship.

The event was not only a time of physical nourishment but also spiritual enrichment. The youth extended prayers and offered words of encouragement and spiritual counsel to those who needed it. Members of the missionary team worked alongside our young people as they sought to make a meaningful difference in the lives of others.

It was a great and rewarding time for the youths as they experienced the joy and fulfillment in doing service unto God.
